Abcom Central Diary Report

Abcom Central Diary Report:

Review diary entries from previous dates, integrates into Sales Projections to assist with editing or manually forecasting.

The screenshot shows a software interface for a diary report. At the top, there is a date selection field containing '01/05/2022' and a 'Load' button with a right-pointing arrow. Below this is a navigation bar with icons for printing, saving, and navigating between pages. A 'Main Report' tab is active. The main content area features a logo for 'Diary' (a red and black circle) and the text 'Date : 01/05/2022'. On the right side, it displays 'Carl's Jr Kilburn South Australia', 'Printed: 17-May-2022 09:18', and 'Page 1 of 1'. A horizontal line separates this header from the main data area, which currently shows 'School Holiday: School Holiday from 18-Apr-2022 to 01-May-2022'.
